Come hear SCE& G's Demand Side Management Proposals
to the
Public Service Commission

The suite of demand side management programs proposed by SCE&G includes programs targeting residential as well as commercial and industrial electric customers and represents a suite of programs that the Company believes to be:

- reasonably practical from an implementation and customer receptivity standpoint,
- to be technically and economically justified, and
- to have a reasonable likelihood of providing savings to customers and the system.

And the winner is.....

Green Flix: 60 Video Contest

Greenflix is also the culmination of the Charleston GreenFlix :60 Video Contest. The **Charleston Green Fair** and **YourCharlestonTV** invite you to enter the contest make a 1 minute video about nature - **win prizes and fame!** **SUBJECT: MAN'S RELATIONSHIP TO NATURE** - plants, trees, and all other living things non-animal. This contest is for anyone who has something to say about the natural world around you - all living things non-human, or non-animal: such as plants and trees. Visit <http://thecutcompany.com/contests/> for specifics. Entries will be judged based on relevance of topic, creativity, and the strength of the filmmakers message. The top three films will be shown at **GreenFlix** and the winner will be announced at the conclusion of our main feature.
